

# My First Digital Footprint

 Name: Armin

 3rd-year computer science student

 School – Nova Gorica

 Learning Java & SQL

# My GitHub Profile

 [github.com/armin-avdibasic](https://github.com/armin-avdibasic)

The screenshot shows a GitHub profile for a user named Armin. The profile includes a circular profile picture of a man wearing a yellow hard hat. To the right of the picture is a bio section with the text: "Hi, I'm Armin", "3rd-year computer science student in Nova Gorica.", "Currently learning Java and SQL.", and "Interested in software development and programming." Below the bio is a "Skills" section listing Java, SQL, and Basic programming concepts. There is also a "Projects" section with a single item "Coming soon...". At the bottom, there is a "Contact" section with a GitHub link. The profile is set to "Public" and has a location of "Nova Gorica, Slovenia" and a time zone of "19:27 (UTC +01:00)".

**Armin**  
armin-avdibasic · he/him

3rd-year computer science student in Nova Gorica. Currently learning Java and SQL, with a strong interest in software development.
